

You may have questions

about possible careers, college programs, financial aid, support services, and computer training. You may feel anxious about the academic challenges ahead or intimidated by going to college as an adult after many years. **Adult Learner Services** can answer your questions, calm your anxieties, and help you achieve your academic, career, and personal goals.

From our students...

“It was awesome to meet with you, I very much enjoyed our conversation. We are fortunate to have you. I had a day today of all days. I thought of you and our conversation and smiled when I was going through the trials of this day. I said to myself, ‘I will be fine no matter what. Others have forged their way through this before me and I too can make this happen...”

“Thank you so much..... You’ve helped me make my return to school productive and fruitful.”

“Our conversation regarding career change/enhancement options was **reassuring and inspiring....**”

Do you need to...

... explore career options to find one that fits you best?

... learn new skills to move forward in your current profession?
