Hi Sue,

Blackboard Workshop II was held today as scheduled. It appears that the workshop was well received, gauged solely on my un-scientific observation of the group's continued enthusiasm for the workshop content. My kudos to John Paul who put together the content in a well structured, meaningful, and easily understood format. The emphasis of today's session was a roundtable panel discussion with faculty members currently using Blackboard. At the end of the workshop participants filled out an evaluation of the workshop, which we will provide you. Participants for today's session follows:

1. Masterson, Greg
2. Bates, Robert
3. Bowers, Carol
4. Brockway, Elaine
5. Cedeno, Jayne
6. Clay, Earl
7. Corso, Jacqueline
8. Deutsch, Louise
